## THE PEOPLE BEHIND VOLUNTEER CORK

*'I volunteer because I think working with people makes me feel good, and I like interacting with people. Volunteering is all about offering yourself, your time, without expecting anything in return. It helps with physical health, mental health and makes you feel good because you are interacting with different kinds of people from different backgrounds.'*

*Smiley*

This is a fantastic opportunity for your company to **connect with local Cork community and voluntary groups**, learning more about the corporate benefits of Volunteering, while sponsoring an award for our sixth annual **Cork Volunteer Awards**.

## WHY SPONSOR AN AWARD?

Volunteers provide many key services that are often overlooked or under-acknowledged.

By sponsoring your chosen award your organisation will support our Volunteers while raising its profile in the Cork business community & the benefits of Volunteering within your team.

You will toast to the future with our Volunteer Award Winners, the inspirational people who give so much back to their local communities in **Cork City** and **County**.
